Competition High, Ideals Higher In Newspaper Week Essay Contest

Competition was high and judging was tough as winners for this year's National Newspaper Week's contest were named this week.

Judges culled through a two-foot high stack of entries to choose the winner and two runners-up.

Named winner of the contest sponsored by this newspaper Week because a more fitting title for a theme of this type could not be found. America's greatest guardian of its freedom is the newspaper. It plays an important part in building the role of democracy by what it says and does.

It is the obligation of the press to inform the people on matters of local, state, national, and world importance. It also safeguards them from corruption. They have a tremendous

Pg 1 H to C w/cut Review only paper was Jane Bouterious, 4003 Marian st., Vista La Mesa; Tom Howard, 1809 Ramon, Lemon Grove, and Roy Nielsen, 4108 Blackton, Vista La Mesa. All are in Mrs. Margaret Lemmer's English class. Jane was awarded a $25 U. S. Savings Bond. Certificates of excellence and $5 cash goes to both Tom Howard and Roy Nielsen who were awarded second and third places respectively.

The contest was made available to 400 students of the L.G. Junior High to help mark the 21st observation of National Newspaper Week, October 15 21.

Theme of this year's National Newspaper Week observation is "Your Newspaper - Freedom's Guardian".

This is Jane Bouterious' essay:

What does your newspaper mean to you? You probably think of it as a source of current events, government happenings, sports, comics, and ads. But, a newspaper is all these things and more. It contains opinions of important reporters, officials, newspapermen, and the public. These opinions, even though they vary, are the most important part of all.

Papers are a source of needed information produced by people who report and express their ideas and beliefs under a law which provides freedom of speech and freedom of the press. These added together mean freedom for the people.

During the Middle Ages, the European society was divided into three main classes. At the top were clergy, second came the nobility, and the third group, the commons, was made up of common men. These were the three estates.

One day as Edmund Burke was speaking in the House of Commons in England, he said, "Yonder sits the Fourth Estate, most important of them all!" He was pointing to the newspaper men when he stated this. Newspapers voice public opinion and influence the course of events just as surely as the other three groups of that day or any groups of today.

Newspapers are not just wells of information. They are symbols of freedom for the people, by the people, and about the people. Our news has kept us free.

Tom Howard's essay which took second place read:

This title is the same as the one chosen for National Newspaper Week because a more fitting title for a theme of this type could not be found. America's greatest guardian of its freedom is the newspaper. It plays an important part in building the role of democracy by what it says and does.

It is the obligation of the press to inform the people on matters of local, state, national, and world importance. It also safeguards them from corruption. They have a tremendous

L.G. Women Seek United Fund Aid In House Canvass

A small "army" of women volunteers will embark Tuesday, October 18 on the mammoth task of calling on every home in the Lemon Grove area in the residential campaign for the United Fund.

The campaigners, under the leadership of Mrs. Byron Netzley, chairman, will seek a goal of $1,200.

The six district chairmen were briefed by Mrs. Netzley at a recent meeting at her home, 2324 Golden ave. They are Mrs. Ray Bullock, Vista La Mesa; Mrs. Charles J. McMahan, San Miguel; Mrs. A. J. Long, Golden Avenue; Mrs. John S. Durham, Mt. Vernon; Mrs. Frank W. Ferguson, Monterey Heights, and Mrs. Maurice Musgrave, San Altos.

The residential drive will be launched on a countywide basis immediately after a television training program to be broadcast at 10 a.m. Tuesday on Channels 8 and 10.

The professional group opened its campaign this week under the chairmanship of Wallace Dorman. Assisting in the campaign are the Rev. H. C. Bakken, E. Winter, Dr. Calvin K. Nicholl, Dr. Donald G. Johnson, Dr. Basil Maloney, Merrill Weber, Dr. Robert D. Schrock and Roy Davis.

Other campaign groups, well underway, are commerce and industry, Robert Wilson, chairman; government and education, chaired by S. K. Solleder; and business firms, led by Sam Pernicano.

Lemon Grove's quota in the countywide drive for $3,250,000 is $7,216.

the DIMMER VIEW

by MAX GOODWIN

We have been besieged by readers who responded to our article on anti-communism last week.

The overall reaction, it seemed to us, was that people were seeking desperately a beacon onto which to latch their desire for more patriotism and more solid democracy.

While this was going on we were judging an essay contest among students of Lemon Grove's junior high. The contest was based on this year's American Newspaper Week's theme. . ."Your Newspapers - Freedom's Guardian." (see winners elsewhere in this issue.)

We were pleased with the feeling of pride these students were able to get across on their written page concerning their appreciation of liberty. It was reassuring, too, that democracy is still thriving in spite of the misguided people who tell us it is wrong to criticise communism.

We were so overcome by the philosophy of these youngsters who seemed to have a pretty good determination to hold onto their freedoms, that we are planning to sponsor another competition.

This one will carry the theme: "Is it popular to be patriotic?"

It will be interesting to see what our youngters approach to this vital subject will be.

We think that the nation's moral values as well as the country's future could very well be represented by the thinking of these very important people who are today standing at the crossroads of adulthood.

There's a school bond election coming up next week in Lemon Grove and never were the issues so clear - cut.

The election is one of the double-purpose things which asks two questions. One is whether or not the L. G. school district shall bond itself for $750,000 for building additional school rooms to again take the youngsters off of double sessions.

The other question is whether or not the district be allowed to borrow the difference between $750,000 (bonds) and the total cost of the projects which are estimated to amount to $1,500,000.

The need for more building does not stem from district officials miscalculating local requirements. As in earlier instances, the district estimates what is needed for a couple of years and makes its plans accordingly. When the school population passes the estimate new facilities are needed. The alternative to time-to-time expansion would be the very costly "ultimate facilities" concept by which property owners would be called upon to pay for facilities before they are needed.

As it is, the district waits until the houses are built to carry the tax burden as well as to supply the students, before embarking on expansion programs.

The piece-by-piece expansion keeps the current tax rate lower.

This is shown by the district anticipating that there will be no increase in the tax rate of 46 cents.

If the election is successful, and it will take a two-thirds

CPC Overrides Staff; OKs Firm's Request

SAN DIEGO (CNS) — Construction of two new service stations in Lemon Grove, being delayed in hearings before the County Planning Commission, looked like a sure thing this week.

The Commission Friday overruled its own staff on one request, of Douglas Oil company, and approved the zoning variances requested. It also indicated that similar approval would be given the application of Richfield Oil company, if the latter drops a sign from its request.

James T. Lambert was the applicant who Friday was granted a variance, for a site to be used by Douglas Oil at Sweetwater ave. and Troy sts.

He was asking to be allowed to put pumps and a sign 60 feet instead of the required 75 feet from the center of Sweetwater ave. and to be allowed to build nine feet instead of the required 15 feet from the rear line of his property.

This was Lambert's second request. On September 23, the Commission suggested he file a new application.

Friday the planning staff recommended that the new application also be refused.

"I thought I had complied with everything requested," Lambert said, and Commissioners agreed. The motion to grant the variances was carried unanimously.

The Richfield Oil station is proposed for the intersection of Massachusetts ave. and Waite dr. Variances are requested for pumps and a sign here also, but the Commission Friday agreed the sign would not be acceptable.

Approval of the request, if the sign is withdrawn, will be voted on October 21, the Commission indicated.

Demos Open Grove Office

In a joint statement, Mrs. JoAnn Jacobsen, chairman, Citizens for Kennedy of Lemon Grove, and Mrs. H. J. Warner, president, Lemon Grove Democratic Club, announced the opening last week of Kennedy-for-President headquarters in Lemon Grove at 3455 Imperial ave. (Grove Theatre Building); telephone HOward 5-2092. Open house will be held daily, Monday through Friday, 10 a.m. to 4 p.m., and Friday evenings to 8 p.m. up to and including November 8.

Formal opening ceremonies will take place on Friday, October 14, 7:30 to 9 p.m. Refreshments will be served. The Honorable Bert Betts, California State Treasurer is expected to be on hand, along with State Senator Hugo Fisher; Max Woods, Democratic candidate for U. S. Congress, 28th District; and Assemblyman Sheridan Hegland, well known for his successful efforts in improving educational facilities throughout the state and who is running for re-election on the Democratic ticket. The public will be welcomed.

HEGLAND TO DISCUSS RETARDED CHILDREN

Assemblyman Sheridan Hegland will discuss pending legislation for retarded children at a special meeting this week on Thursday at 7:30 p.m. at the La Mesa Elementary School on Date st. in La Mesa.

Hegland was on the State Education Committee for the past six years.

REAL ESTATE CLASSES FREE AT MT. MIGUEL

Dan Thren, Lemon Grove realtor, is conducting a class in real estate law on Tuesday evenings at 7 in Rm. 17, Mt. Miguel High School.

Thren said the course is designed to qualify persons to be able to pass the State real estate license examination.

Planners Hear Property Owners Blast 'Donations'

SAN DIEGO (CNS)—A protest to what he called the county's "lead pipe principle" of requiring donation of rights of way for zone changes and zone variances was voiced Friday by a Lemon Grove property owner before the County Planning Commission.

A. F. Anderson, appearing for the third time before the Commission in his efforts to get a variance so he can build 50 feet, instead of the required 75 feet from the center of Imperial avenue, seemed for the first time to be making some headway in his refusal to donate any land to the county.

"I don't see why a property owner should walk in here and donate thousands of dollars worth of property," Anderson told the commission.

Anderson, with Ralph Heim, was protesting the requirement that they donate 30 feet of land for widening Imperial ave. between North and Grove streets as a condition for getting the variance.

"I bought my building with my life savings and $30,000 in debt," said Heim. He objected to having to donate the right of way and also to having to move his existing building at his own expense, for widening Imperial.

Deputy County Counsel Robert Berrey said that he doubted, even if Heim were willing to donate the land, he could actually do so, because of the mortgage on it.

Commissioner Gilbert Ray made a motion that the hearing be continued to November 4, with all property owners except Heim to donate the 30 feet of right of way.

Berrey then said, "If we eliminate Heim, it is unreasonable for us to ask the other three property owners for right of way."

The vote to put off a decision until November 4 was then taken, without a requirement that the donations come from all but Heim.

Supervisors Suggest Changes; Planners Order Study

SAN DIEGO (CNS) — Study of two changes in the zoning ordinance to permit the County Planning Commission greater lattitude in granting property owners uses of their land not now covered by the county law was ordered Friday by the Commission.

The first change to be studied would establish a "use variance," giving an individual landowner permission for a business not allowed in the zoning on his property, but with the permission to lapse if the land should be sold.

The second change would establish a length of time in regard to non-conforming uses. That is, if a non-conforming use were stopped for a year, the change would say it could not start up again. However, with this, the Commissioners are asking for the authority to grant exceptions.

The County Counsel's office was directed by Commissioners to study both proposed measures and returns with recommendations in the shape of legal measures on which hearings can be held.

The variance on land use was suggested by the County Board of Supervisors, and the planning staff asked the Commission to tell Supervisors the zoning ordinance should not be changed to permit such variances. Commissioners disagreed and asked for the study.

On the control over non-conforming uses, Commissioners agreed with the staff recommendation that a limit should be placed on the time that a non-conforming use may be abandoned and started again, preferably one year, but they also insisted that power be given to handle "special problems" that may arise under the ordinance.

LG Lions Collect For Better Vision

Members of the Lemon Grove Lions Club will observe their annual White Cane Days this week on Friday and Saturday by selling miniature white canes and encouraging residents to contribute to the white cane canisters distributed throughout the business community.

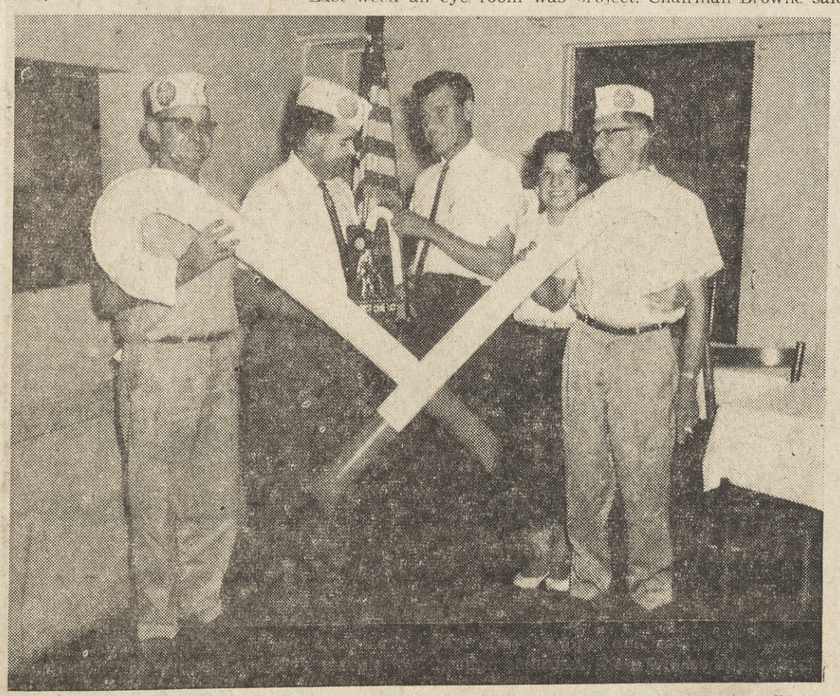
White Cane Days, according to Lion Club President Pete Wood, is observed nationwide. Here, as in other communities, proceeds from the event are used to help the aged and the needy who have vision problems.

Ten members of the club have canvassed the business community to establish locations for sight canisters. Other members will circulate throughout the community Friday and Saturday to disperse the miniature canes.

White Cane Project Chairman Bob Browne said receipts this year should reach $1,000. $1,400 was collected the past two years. Co-chairman Bob Vaught pointed out that all funds collected here would remain in the community.

Last week an eye room was dedicated at the Grossmont Hospital furnished from funds from five area Lions Clubs. The Lemon Grove Club recently paid expenses for a needy blind resident to acquire, and learn to walk with, a seeing eye dog.

Vaught said that several children of needy local families had been supplied with glasses and other visual treatment by way of Lions Club funds. Dr. Calvin Nicholl, past president of the Lions club contributes much time and material to the sight project. Chairman Browne said



WHITE CANE DAYS—Bob Moore deposits a donation in the White Cane Day receptacle held by Bob Vaught while Bob Browne, left, Rose Mitchell, and Lary Folda look on. White Cane Days starts tomorrow and will run through Saturday. There will be approximately 50 White Cane coin receptacles throughout the Lemon Grove area.

School Trustees Defer Action On Tax Levy Increase Election

The Grossmont Union High School District Board of Trustees at its regular meeting Monday night voted to defer action on calling an election to increase the authorized maximum current operating tax levy in the district. Superintendent Lewis F. Smith informed the board that the present authorizaion of $1.25 would expire and that early estimates indicated a need for an increased rate of 5 cents per year in order to finance the current program and current salary schedules. Discussion indicated board members were generally agreed that the proposed increase should be limited to the amount actually needed to provide educational services in the district in view of the heavy tax load being placed upon local property.

Superintendent Smith indicated to the board that the current authorizaion of $1.25 would expire at the end of this fiscal year. It was on this basis that the discussion was held. Subsequently it was found that the current authorization of $1.25 will not expire until June of 1962. In view of this correction, the board will have to determine at a future meeting whether to hold the rate at $1.25 for another year or whether to schedule a tax authorization election this year in order to avoid dipping into reserve funds.

During the discussion one proposal was for a $1.45 rate for a five-year period which would not permit any increased costs over the present program and another proposal for $1.60 which would provide some leeway in financing current operations.

Superintendent Smith pointed out that the district does have a low assessed valuation per pupil and high teacher salary schedules. The low assessed valuation per pupil is slightly over $17,000 compared to an average over twice as great. Equalization apportionments from the State helps the district meet its budgetary requirements. The favorable teacher salary schedule is made possible through a combination of strict economy and heavy teacher loads. "The per pupil costs in the district, through rigid economy, have been held from $60 - $80 below state averages for high school districts," said Smith.

Grove Man Opens Valley Drive Inn

Mac's Drive Inn, a frosty drive inn carrying a line of food and soft drinks, has recently opened at 2836 Bancroft dr. in Spring Valley.

Donald M. McIntire, Lemon Grove, is the owner.

Signing a blank contract is like signing a blank check, your San Diego Better Business Bureau warns. Don't sign anything you haven't read, and always keep a copy for your own files.

LG Teachers Play Important Role at Leadership Conference

Lemon Grove teachers play as important role in the annual Leadership Conference scheduled Saturday, October 15, at the Stardust Hotel in Mission Valley.

John Winterhouse, president of the San Diego County Teachers Association, which is sponsoring the event, stated that nearly 200 leaders from teacher associations will attend the all-day sessions on Saturday. Leaders in national and state organizations will head discussion groups and general sessions.

Attending from Lemon Grove, in addition to John Winterhouse, will be Jack Lemmer, local chapter president, along with Al Lantz, Frances Thompson, James William, Louis Poluzzi, Barbara Clifton, Loy Holmquist, John Gregory, Isabel Zidek, Virginia Cornelius, Alice Milne, and Bob Harvey.

Planning committee members from Lemon Grove include Rick Stammerjohn and Harry Weisgerber. Mrs. Margaret Lemmer, CTA-SS president, is also a Lemon Grove teacher who participates. The affair begins with a 7:45 breakfast, includes luncheon, and is scheduled to adjourn following a general session beginning at 2:30 p.m.

The Post Office Department has contacted schools in this area because paper and trash have been found in the mail box at the corner of Garwood ct., and Elkelton blvd.

These "childish pranks" could be the cause of much unhappiness for a number of people, the writers, those who wait for mail, as well as the offenders and their parents. The trust placed in the Post Office by the mailing of a letter is important enough to our government, to be considered a federal offense for anyone caught tampering with mail, so that a child, or his parents, if a minor, must answer to federal authorities if caught in such an act.

Explain the seriousness of this offense to your children, not necessarily because they might be the ones doing the damage, but because being forewarned is being forearmed, and it might prevent their ever getting into trouble of this sort.

BOY SCOUT NEWS

Boy Scout Troop 357, will have their second in a series of training camp-outs, using dehydrated foods and lite pac technique in preparation for a High Sierra trek next summer.

This active and enthusiastic troop will hike in two miles to Horse Haven in the Laguna Mountains October 14-16.

AVONDALE PTA

On October 18, at 7:30 p.m. in the Rancho School Auditorium, 8345 Noeline st., the Avondale PTA will hold its next meeting, the theme of which will be "Our First Step", and will feature a series of firsts.

It will be the first time the new Rancho auditorium will be used by them, the first time a full Girl Scout Troop (990), will present the colors, the first time Dr. Margery McIntosh, director of Guidance for the La Mesa-Spring Valley School District, will be their guest, the first time a full explanation of the special services offered by the School District for our children will be given, and their first Hobby Show.

Child care will be available, and refreshments will be served.

6th GRADE AMBASSADOR

Avondale's sixth grade students have been invited to attend the opening dedication ceremonies of the Juan Alessio School No. 2, in Tiajuana, on October 18.

They will be transported to the border by bus, where they will be met and escorted to the school grounds by Mr. Alessio, and will join in the festivities by doing square dances for their hosts and hostesses. They will then be Mr. Alessio's guests at Caliente for lunch."

NATURE FILM

On October 15, the Avondale PTA is sponsoring a Nature Film to be shown in the Rancho School Auditorium, for all Avondale and Rancho students.

This 30 minute movie features water birds and an aerial ballet, and should hold the interest of children in all age groups. The showing for Kindergarten and first grade students will be at 10:15 a.m., 2nd and 3rd graders at 11 a.m., and 4th, 5th and 6th graders at 11:40 a.m. The only admission charge will be donations of canned goods to be used in the Country Store at the Halloween Carnival.

LITTLE LEAGUE NEWS

This season's last request from the Spring Valley Little League, is that anyone who can participate as an umpire, coach, or manager next season, please get in touch with Glen McCormick at HO 6-4954.

WANT A LIBRARY?

Mrs. Sue Peverly, libraray chairman for the Avondale PTA, has petitions ready to be signed by those wanting a library for this area, but needs help in circulating them and obtaining signatures. This is a real need in our community, for the adults as well as the youth, so let's all rally 'round Sue, and get this done. Call her at HO 3-9638, for further information.

NEITHER RAIN

To all those mothers, fathers, Boy Scouts, Cub Scouts, Little Leaguers etc., who helped in the Spring Valley Days Fiesta despite the disheartening rain and wind, our thanks. It was a tremendous task, but you were apparently equal to it, for all of those who attended were heard to comment that it was fun.

MEET YOUR NEIGHBOR

Meet Estelle and Ides Romero, San Diego residents for the past 17 years.

Estelle was born in Boise, Idaho, moved to Seattle, Wash. when she was about 2 years old, and it was there, some years later, that she met and married Ides. She was team mother for the Spring Valley Little League, vice president of the Women's Auxiliary for Boy Scout Troop 357, and an Avondale PTA member, this past year.

Ides was born in Abbeville, La., is retired from the U.S.N., and now works at Astronautics as a Research Development Technician. He was a coach in the Spring Valley Little League last year, and will be their equipment manager next year, is a Patrol Father for the Boy Scouts, and enjoys playing golf with Estelle.

Their three children, Mrs. Linda Mann, Julie and Ronald, have a lot to be proud of in their parents, who quietly, but constantly work to better conditions for their family and their community.

COMPLAINT DEPT.

At 1 a.m. this past Sunday, a fire raced through and gutted a home on Helix st. Fortunately, no one was hurt, but is was no thanks to the bystanders, onlookers, curiousity seekers, or whatever you call those people who crowd around and get in the way. There were so many cars lined up, bumper to bumper, on that block, that one fire car had trouble getting through to help.

A fire has always been a fascinating thing to watch, but never to those whose home is burning, or who are waiting to be rescued. If you see a fire, and can help by turning in an alarm or getting people out, you are doing a wonderful thing, but, if the nefarious thrill of watching other people's misfortune is so important to you, that you must court disaster for them and yourself by being in the way, you are a nuisance, or worse.

Hospital Administrator To Scout 'Goodwill' Chair

Richard L. Johnston, administrator at San Diego Children's Hospital, has been named county-wide chairman for the Boy Scout's participation in the 1960 Goodwill-Good Turn Day, October 29.

His appointment was announced by J. Harvey Chambers, president of the San Diego County Council, Boy Scouts of America.

Under Johnston's direction more than 15,000 Cub Scouts, Boy Scouts, and Explorers will distribute 150,000 Goodwill bags to homes throughout the county October 22, to be filled with clothing. They will return the next Saturday, October 29 to collect them.

Joining with the Scouts in this community Good Turn will be members of Rotary Clubs throughout the county and the San Diego chapter of the California Trucking Association.

The clothing collected will furnish work for 200 handicapped persons at Goodwill Industries.

Sixteen-Year-Old Youth Stabbed In Fracas

Three youths are being sought in Lemon Grove following a midnight fracas which resulted in a sixteen-year-old youth suffering a minor stab wound in his thigh.

The injured youth, Roger L. Pickens, of 2163 Glencoe dr., Monterey Heights, required four stitches at Grossmont hospital after the altercation Sunday morning soon after midnight at the Jack-in-the-Box drive-in on Broadway, Lemon Grove.

Pickens said a car with three youths inside was blocking the drive-in driveway. The fight started after Pickens asked the driver to move.

He said the three youths locked themselves in the car after the fight and he broke one window swinging at the driver.

Sheriff's deputies reported that Pickens and his girl friend had attended a wedding. They also reported that Pickens admitted a juvenile record of joy-riding, possession of alcohol, and curfew violations.

Pickens "seemed proud of the stabbing and said he would now be the talk of the town," the sheriff's report concluded.

The three youths are still being sought.

One million truck-trailer movements will be diverted from highways to railroad track during 1960, the Association of American Railroads estimates. "Piggyback" or trailer-on-flat car traffic is increasing rapidly, with 1960 loadings 35 per cent above those of 1959 and more than dcuble the 1958 level.

majority to pass it, projects will be started at six schools. They include 11 classrooms at Palm junior; four classrooms at both Mt. Vernon and San Altos schools, three at Monterey Heights and multi-purpose rooms at San Miguel and Vista La Mesa.

When enrollment gets too big for the district's eight schools, there'll be funds available for a new site.

It is important that those who want the issues passed get to the polls because every "no" vote neutralizes three votes. Your vote may be the difference between the issues passing or not.

Dick Thompson, operator of Dial Drugs in Lemon Grove, one of our more avid readers, sends us a memo concerning a matter near-and-dear to the heart of every publisher.

Thompson, a pharmacist, poses the question as pointedly as any editor could. He didn't say it was or was not original with him.

"Why is it," he asks, "a man wakes up in the morning after sleeping under an advertised blanket on an advertised mattress and pulls off advertised pajamas. Takes a bath in an advertised tub, shaves with an advertised razor, washes with an advertised soap, puts on advertised clothes, sits down to breakfast of advertised coffee, puts on an advertised hat, rides to work in an advertised car, writes with an advertised pencil. . .then refuses to advertise, says advertising doesn't pay, and then if business isn't good enough to advertise. . .he advertises it for sale.

Incorporation Note: —Del Mar, a newly formed city with a population of approximately 5,500 (1,815 registered voters) has just received $21,774 in gas tax refunds that is to be used, as required by law, for road work within the city.

Lemon Grove has about five times this population. . .and a combined city including Spring Valley would bring the population up to more than 35,000.

While gas tax refunds are not based on population it does provide a good rule of thumb. The refund, by such a comparison, would be more than $120,000 for the same period.

Two Grove MDs To Serve College Park Hospital

Two Lemon Grove professional men will serve as executives of the new College Park Hospital, 666 Montezuma rd, now nearing completion.

They are Doctors Wesley R. Herbert and Thomas R. Early. College Park is the first hospital in the growing San Diego State College area, and San Diego's first completely air-conditioned hospital. The initial 54-bed unit of College Park will offer full medical, surgical, maternity, pediatric, nursery, and emergency room facilities, as well as X-ray and clinical laboratory services, according to hospital officials.

Headed by William T. Soldmann, M.D., La Mesa, as chief of staff, the organizational roster of the medical staff has been announced as follows: Chief of staff-elect, Gladden V. Elliott, M.D., La Mesa; secretary, Thomas R. Early, M.D. Lemon Grove.

The executive committee comprises Archie L. Edgar, M.D., and Thomas J. Wells, M.D., La Mesa, and Lawrence F. Smith, M.D., El Cajon. The credentials committee members are Wesley R. Herbert, M.D., Lemon Grove; Robert E. Hindman, M.D., and John J. Dapolito, M.D., La Mesa; James T. Jennings, M.D., and Henry F. Maguire, M.D., San Diego.

College Park Hospital has been accepted for membership in the American Hospital Association, and its objectives, policies, and facilities are designed to fulfill all requirements for immediate full accreditation by the Joint Commission on Accreditation, representing the American Medical Association, the American College of Physicians and Surgeons, and the American Hospital Association.

The hospital will operate as a tax-paying institution and is being built with private funds financed by a group of San Diego area businessmen, representing an investment of more than $800,000. Built by the Trepte Construction Company on a two-acre site at the intersections of Montezuma Road, Sixty-seventh Street, and El Cajon Blvd., the 20,000 square-foot medical facility has been designed to enable an early 22-bed expansion and the addition of a convalescent unit, according to Fred J. Kenward of La Mesa, administrator, who states that the hospital was conceived because of the acute shortage of hospital beds in the college area.

Public dedication and open house ceremonies will be held Sunday, October 23. Patients will be admitted October 31.

WATCH FOR OUR GRAND OPENING

Among AWARDS presented at the United Fund campaign report meeting Tuesday were employee group awards to the Lemon Grove Education Center. Receiving the award is Mrs. Sam Solleder of the education center. From left are other fund leaders, Mr. Sam Pernicano, Solleder, and Mr. and Mrs. Byron L. Netzley.

New Controls For County Plumbing

They've tightened up the County Plumbing Code relating to gas and water pipes, according to Judge S. Waldrep, Chief of the County Building Inspection Division.

For the first time water piping and liquid petroleum gas piping will be regulated. It will be under the same regulations as the natural gas installations.

Beginning October 27 such installations will require a permit and an inspection. The regulation will be for all of the county and practically all incorporated cities, he said. The sole exception will be for isolated mountain or desert cabins.

Homes constructed under the new regulations and using liquid petroleum gas will be ready for natural gas without alterations when it becomes available, he said.

Water piping systems will be sized in accordance with nationally accepted practices under the new regulations. This will assure an adequate supply of water to each plumbing fixture. Safety devices will be required to regulate excessive pressures and excessive temperatures and pressures for hot water tanks, too, he said.

The new Plumbing Code will be available in booklet form, Waldrep said, and will be supplied to the public free of charge.

Two Grove Men Off To Kiwanis Convention

The Kiwanis Club of Lemon Grove will be represented at the 1960 convention of the California-Nevada-Hawaii District of Kiwanis International at San Jose, California, October 16-19, Club President Dr. Thayer Crow announced this week. Hosts for the convention will be members of the Kiwanis Club of San Jose.

Local delegates to the convention will be Robert C. Wilson and Jack Durham.

Mr. J. C. Robertson, a vice president of Kiwanis International and Edmonton, Alberta railway express executive, will be a featured speaker at the three-day meeting. Also on hand will be Dr. Ernest G. Basher of Los Angeles, a trustee of Kiwanis International. Dr. Bashor, a Los Angeles physician and surgeon, is a resident of the California - Nevada - Hawaii Kiwanis District.

Delegates from 414 clubs representing more than 22,000 business and professional leaders will participate in the various sessions. Committee conferences, a discussion of plan for the coming year, consideration of successful community service work, and the election of officers will highlight the convention program, Thayer Crow said.

Presiding officer will be Mr. Eugene F. Lorton of San Francisco, Governor of the California-Nevada-Hawaii Kiwanis District. Lorton is a San Francisco businessman.

State Faculty Reaches Record

San Diego State's faculty has increased to a record total of 302 members this year, President Malcolm A. Love has announced. The faculty total includes 67 new full-time instructors.

There are 475 full-time and 127 part-time instructional faculty mempers at San Diego State, Love said.

Two new faculty members retired with university emeritus rank before coming to San Diego. They are Clarence L. Eckel, dean emeritus of the college of engineering at the University of Colorado, and Sheldon C. Tanner, professor emeritus of business law at Pennsylvania State College.

Air Force Academy Nominations Open

Lemon Grove and Spring Valley youths who want to attend the United States Air Force Academy may apply through their local Congressman, according to James B. Utt, U.S. Congressman for this district.

Nominees who obtain their nomination from their Congressman will be eligible to attend the Academy in July 1961, he said.

To apply for this Congressional nomination, a young man should write to his Senator or Representative from his Congressional District. This letter should include details on high school academic and extra-curricular activities, birthdate, and parents' name and address.

Members of Congress submit the names of their nominees between June 1 and January 31. An applicant should request a Congressional nomination well in advance of the deadline of the year he wishes to enter the Academy.

Details on how to make application in the other categories are contained in the Air Force Academy catalog. To obtain a copy of the catalog, write to the Registrar, United States Air Force Academy, Colorado, or contact Major Dominic C. Di Gregorio, at the Land Title Insurance Company, 225 Broadway, San Diego, BElmont 4-7192.

Entrance requirements for a nominee must meet the following qualifications:

Be at least 17 and not yet 22 years of age on July 1 of the year admitted;
Be a male citizen of the United States;
Have good moral character;
Never have been married;
Be in good physical condition;
Be at least 5'4" and not over 6'6" tall; and
Have at least 20/50 vision, correctable to 20/20.

Although no specific grade average is required, it is desirable for a candidate to rank academically in the upper one-third of his class. A candidate should generally have at least 15 high school credits, with 3 in Mathematics and 4 in English.

SD 'Rock Hounds' Give Annual Show

The San Diego Lapidary Society's annual Gem Show will be held Saturday, October 15, from 10 a.m. to 9 p.m., and Sunday, October 16, from 10 a.m. to 6 p.m., at Turner's Hall, 1678 30th st., San Diego. The public is invited.

Fifty-four cases of gems and minerals will be on display. There will be working exhibits to show cutting and polishing.

Admission is free, prizes will be given every hour, and a snack bar will be open.

power to help bring about a clean but effective government and the power to support that government.

The paper can bring forth its opinion on matters of great importance, and it also can respect the opinions of others. This is accomplished through a system of a free press, a system which prints the facts and then gives opinions as it sees fit.

The papers can expose existing evils in a community and at the same time support that which is good in business, education, and government. A community has much to offer. This can be made known through the papers. They serve us in so many ways it is difficult to define them all.

Only through a free press can the views, the struggles, and the victories of the people become known to the people!

This is Roy Nielsen's third place winning essay:

In the United States, where about ninety-seven out of every one hundred people who are old enough to read have now learned to read, almost everyone reads a newspaper. Every day about fifty-five million daily newspapers are distributed in this country. The United States is probably the best informed nation in the world.

The modern paper contains a great amount of reading material which has great influence. This material usually tried to present both sides of an issue or a problem after it presents the straight facts. It is not good if only one side is given to many, many readers. Papers have the power continually to suggest ideas, and from these ideas the readers form attitudes and opinions on all the important things in life.

Every nation has some restrictions on the freedom it gives the press. However, in the United States there is little or no censorship; any regulation placed upon papers are in the best interests of all citizens and protect them from libel and slanders.

In many parts of the world there are strong restrictions upon the press. This means the true news is seldom if ever published, and the paper must publish what the government or men in power tells it to. Amendment I of the United States Constitution states that "Congress shall make no law . . . abridging the freedom of the press . . ." and this assures freedom. However, people may bring suits against publishers, printers, or authors for libelous publications which do harm to the individual. Freedom is still protected.

You have every right to be suspicious when offered a product or service at an extremely low price, the San Diego Better Business Bureau claims. Don't become the victim of a bait advertiser.

Traffic Accident Here Brings Smack On the Head

A San Diego man was attacked Sunday night in Lemon Grove at Waite dr. and Massachusetts after a minor traffic accident in which the assailant hit him over the head with a gun butt.

The assaulted man is Ralph N. Fleet, an electrician, of 4494 Pocahontas pl., San Diego.

He said the man hit him over the head with the gun when he tried to discuss the accident with the driver of the other car.

Fleet said the driver produced an automatic pistol and told him, "All right, Dad, let's forget it."

He was struck over the head when he persisted in discussing the accident, Fleet told sheriff's deputies.

The assailant lost his watch, glasses, and a pencil during the quarrel, and drove away, deputies reported.

Grove 4-H Club To Meet Tuesday

Did you know there is a 4-H Club in Lemon Grove and Spring Valley areas? Yes, there is and the club has the following projects to offer any boy or girl from the ages 10 to 21: Sewing, home furnishing, lamb, goats, rabbits, and poultry.

We are hoping to form project groups in cooking, electricity, and gardening. At present we need adult leadership in these projects. Anyone interested in either leading a project or joining one please contact Mrs. Coper HO 6-3863. The first organizational meeting will be held on Tuesday, October 18 at the Palm Ave. Junior High School cafetorium at 7 p.m. Anyone interested please attend.

A double-track railroad can move as much traffic as 20 modern highways, the Association of American Railroads reports.

Miguel's Test Program Pays Off; 7 Win in Merit Scholarship Tests

An extensive testing program carried on at Mount Miguel High School over the last few years has helped to make its students not only test conscious, but more relaxed in testing situations. The practice has paid dividends, for last week seven seniors from the local school were announced as winners in the National Merit Scholarship tests.

When discussing the tests to be given soon to freshmen and juniors, Melvin C. Grant, principal of the school, observed that, "A comprehensive testing program is valuable because of the aid it offers in helping to correctly place students in classes as well as to give valuable guide lines in planning for students' vocational goals." He continued, "A good comprehensive test is able to accomplish in hours what it might take a year to discover by direct observation of the student in the classroom."

Miguel freshmen will take two tests administered during the next two weeks: the Sequential Tests of Educational Progress, known as the STEP test; and the School and College Ability Tests, known as SCAT. The first test will be given on October 15, the second on October 22. Both tests are to be given on the campus.

Parents are urged to have students at the school no later than 7:45 a.m. so that testing may begin promptly at 8 a.m. in order to finish the program by noon.

All freshmen are required to take the tests, which are nationwide standardized examinations to measure academic achievement.

Juniors in the college preparatory program who wish to take the Preliminary Scholastic Aptitude Test (PSAT) on October 18 must register by paying a 50 cent fee to Mrs. Borg in the bookkeeper's office by October 15. No one will be accepted for testing who has not paid the fee by this deadline. Testing will begin at 7:30 a.m. on October 18.

"It is important for the college preparatory student to take the test if he is close to a B average. Over 400 colleges require these scores for admittance, as well as determining scholarships at the present time," emphasized Mrs. Vela Gwin, junior counselor. "The test itself is composed mostly of items that deal with verbal comprehension of words and reading skills, as well as mathematics comprehension."

On October 31, juniors who wish to take the General Aptitude Testing Battery test (GATBY) will be tested by members of the California Employment Association. Each applied arts student (and this test is limited to just those enrolled in the applied arts program) will have a pre-conference of approximately 15 minutes, followed by the test itself. Interpretations of the tes will be ready the following day and students will receive a copy for their files at home; one copy will also be placed in the student's cumulative folder a the school.

For this particular test, a two-week period will be used for the pre-conferences, tests and interpretations.

Jolly Benbrook Installed By Mt. Helix Hi-12

Jolly Benbrook, 7166 Mohawk, San Diego, was installed as president of the Mt. Helix High Twelve Club Saturday night at a banquet attended by master Masons and their wives.

The installation was at El Morocco Club in Lemon Grove.

Installing officer was Dave Snyder, state president of High Twelve organizations. Benbrook followed Ray Lynch as president.

Other officers installed were: Cy Gould, Charles Bellis, and Les Freeman, first, second, and third vice presidents respectively.

George Wilkens, Potentate of the Shrine, was in attendance.

Cafe Changes Owners, Name

A Lemon Grove business place has changed ownership and names.

Bill's Coffee Shop, formerly the Avalon Cafe, 3307 Imperial, has come under the ownership of Bill Nevills and Paul H. Whitmoyer. It will be managed by Nevills and is slated for opening next week.

FIREMEN ALL — Captain Harry R. Alexander and Fireman Robert Adams of the Lemon Grove Fire Department look over their new "firemen" from St. Johns of the Cross school after giving them their fire hats and instructions. The new Fire Captain of the school is Gary Fegan. The Assistant Fire Captain is Edward Williams. Firemen are Bill Bodenstadt, Jack Danials, Danny Pond, Tom Ward, David Szaley, Ronald Hall, Paul Morgan, John Crowell, Thomas Spencer, Patrick Bessie, Steven Sande, Mark Lambert, Michael Koch, Tom Daniels, Paul Sledge, Tony Pontous, and Joseph Chalk.

'Make It With Wool' Contests Underway; Paris Trip First Prize

Junior and senior winners of 16 district "Make It Yourself With Wool" contests now underway throughout California will compete for State honors during the 42nd annual convention of the California Farm Bureau Federation in Berkeley, November 13 through 17.

Winners of the State contest will go on the nation-wide contest at the American Farm Bureau Federation convention to be held in Denver, December 11 through 15.

The 32 young ladies who will display their needle and thread talents at Berkeley will have one thing in common, Mrs. Celene Sisk, State chairman of the contest, points out. Their garments will all be made from 100 per cent American produced and loomed wool. The dresses, skirts, and sportswear will be judged for workmanship, fit of garment, appropriate wool for the pattern design, and suitability of the style for the contestant, according to Mrs. Sisk.

The State contest will take place on November 14 at the Claremont hotel in Berkeley, and master of ceremonies for the occasion will be Paul Speegle, noted San Francisco News-Call-Bulletin columnist and president of the San Francisco Press Club. Speegle is an old friend of the "Make It Yourself With Wool" contest, having performed the same job in the past.

At Denver, winners from many states will vie for a grand prize of two-weeks in Paris, London, Rome, and New York, with the winner visiting the fashion centers of these famous cities in an all-expense paid trip. In addition there will be awards of scholarships, sewing machines, and savings bonds.

Any girl between the ages of 14 and 22 may enter the contest. The contest is divided into two groups; junior girls from 14 to 17, and senior girls from 18 to 22 years of age. Contest applications may be obtained from home economics teachers or by writing to Mrs. Celene Sisk, Route 1, Box 470S, Chico, California.

HS Board of Trustees Hear Biology Report

The Grossmont Union High School District Board of Trustees at its meeting Monday evening heard a report from Albert V. Mayrhofer on the newer developments in biology curriculum and teaching methods.

Mayrhofer, currently on leave from the Grossmont District to work with the State Department of education in the development of the biology program, indicated that during the last 15 years research had doubled knowledge in the field of biology. This forced schools to consider a thorough reorganization of the materials to be taught with considerably greater emphasis upon the development of concepts.

"The value of this approach," said Mayrhofer, "is to enable students to apply these concepts to newer developments in the future." Greater emphasis upon the development of the scientific method and powers of observation by the student will also be stressed.

Al Mayrhofer

Mayrhofer showed a film which presented demonstrations impossible to duplicate in the typical high school or college laboratory. A series of 110 films is available to assist the regular teaching staff in the presentation of these new materials.

Upon conclusion of the presentation, the board indicated approval for attendance by district biology teachers at an institute to be held sometime in January at which time a nationally known scientist will present some of these developments to the staff in order to initiate needed changes in the program.

County to Repeat Youth Concerts

A concert series for children and youth of San Diego County, will be offered again this year, according to the San Diego County Department of Education.

The children's concert series will be held four days; December 3, January 21, February 25, and March 25. Duplicate performances for each offering are scheduled. The first will be at 10:30 a.m. and the second at 12:30 p.m.

The young people's concert series are scheduled for December 1 and April 20. A spring concert in the northern part of the county is planned but the date and place have not yet been set.

All other concerts will be held in Russ Auditorium. Season tickets for the children's concert series will be on sale at schools, beginning November 1.,

These concerts are sponsored by the Children's Concert Committee of the San Diego Symphony Association in cooperation with the Symphony Board and the Music Department of the San Diego Unified and the San Diego County Department of Education.

Matador Frosh Has Unique Teen Problem

Teenagers are noted for having problems and a certain young teenager from Costa Rica is no exception.

Marie Eugenia Herrera, a ninth grader at Mount Miguel high school, arrived in the United States in June, unable to speak a word of English. Marie, daughter of Mr. and Mrs. Arturo Herrera, is now staying with Mrs. Abaroa of 72161 Central Avenue, Lemon Grove.

Maria's father, a fisherman here for 12 years, was joined this year by Maria, her mother, who is now in the hospital, and her brothers and sisters, who are in elementary and junior high schools.

While studying in Costa Rica, Maria maintained a B+ average. Her course of study consisted of math, Castilian (pure) Spanish, natural science, physics, chemistry, history, geography, English, French, music, physical education, homemaking, and religious education. Schools there are in session six days a week, rather than the conventional five of the United States.

Maria finds American schools quite different from schools in Costa Rica, where, instead of changing classes each hour, students remain in one classroom while teachers change classes. Also students study for eleven years (six years of elementary, and five years of high school), rather than twelve years (six years of elementary and six years of high school) American students are required to complete for graduation.

"I have found a friendly student body at Mount Miguel," she said, "But English is my biggest problem. The very first day I was confused about my lunch hour; I stood in the wrong line, and ended the day hungry. Why? I got nothing to eat because the bell rang and I had to go to my class."

Maria is studying Spanish with Mr. Edward Villarreal head of Mount Miguel's foreign language department, but while other students translate from English into Spanish, she translates Spanish into English.

At home, Maria, helped by a tutor, can study her lessons with better understanding than she could gain in study hall or even in her regular classes—until she has a better mastery of the English language.

Mr. Villarreal commented 'Maria is just like any teenager and certainly does not lack the problems of her contemporaries; on the contrary she has a problem that not many people her age confront But with her desire, she will soon overcome this barrier that she faces."

WHAT'S DOING

Sid Mansfield, your telephone manager in Lemon Grove

Coast-to-coast phone calls by satellite. Scientists of Bell Telephone Laboratories tell us that someday long distance calls may very well reach your home via man-made satellites.

Working under National Aeronautics and Space Administration's sponsorship, they carried on a two-way phone conversation between the Bell Telephone Labs in New Jersey and a NASA base in California via a "Project Echo" satellite. The signals carrying their voices were bounced off a 100-foot aluminized plastic sphere orbiting 1000 miles above the earth.

The Bell Telephone System has outlined to the government a plan to use about 50 satellites to provide communications between the United States and other parts of the world. Besides relaying phone calls, these satellites could also bring you live television from anywhere on earth.

Election day, November 8, is still a few days off. But it's not too early to make plans so you'll be sure to get to the polls. If you need transportation, now's the time to arrange with your friends for a ride. If small children keep you close to home, perhaps you can swap baby-sitting chores with a neighbor.

You can make these arrangements by phone . . . but that's not why I mention them. I just want to remind you that *every* vote is important. Be sure you cast yours November 8.

The time has arrived to start thinking about the San Diego Telephone Directory for 1961.

BUSINESS The representatives from our Directory Department are now contacting all businesses in our HOpkins area. We want this directory to really **work for you** in 1961 and the directory people will help you in any way possible. Don't overlook your business listing. It is important to have your individual name associated with your business listing in the directory. Some people may know you personally, but are undecided as to how your business is listed.

RESIDENCE If you have teen-agers in your family who would like their names listed in the book, or if you are a working mother, or if you are looking for employment, our Business Office will be happy to assist you with suggestions for improving or adding to your present listing. Please call HOpkins 6-3201.

Vote "YES" For Schools

TUESDAY, OCTOBER 18

BONDS BUILD CLASSROOMS

These third graders in reading class at San Altos School are just five of an expected 5000 students in Lemon Grove Schools. Reading is one of the important subjects that need full days of instruction in the elementary grades. Here Bruce Grandjean, Holly Hunter, Charles Higgins, Laura Von Dran, and Judy Callihan, with their teacher, Mrs. Helen Kelsey, prepare for a future to be determined by voters on October 18. More classrooms and other needed facilities can be built by a two-thirds YES vote at the polls. As a community grows, so does its schools. Continued support means boys and girls like these pictured here will have classrooms all day every day in which to study and learn.

They Can't Vote.... But YOU Can!

Guarantee these young students a complete education and insure a better tomorrow for Lemon Grove boys and girls.

LET US ALL PRAY TOGETHER AS A FAMILY

I hear no one boast that he hath knowledge of the Scriptures, but that he owneth a Bible written in golden characters. And tell me then, what profiteth this? The Holy Scriptures were not given to us, that we should enclose them in books, but that we should engrave them upon our hearts. —St. Chrysostom

Conlee presided over the ceremonies.

Methodist Church News

FIRST METHODIST CHURCH

"God's Power Through Laymen" is the theme for October 16 at the Lemon Grove Methodist church at both 8:30 and 11 a. m. services. The emphasis will be on laymen, why they come to church, what Methodism means to them and what the church stands for, states the Lay Leader, Bill Sele.

The worship services plan to be extremely positive and spiritually helpful in orienting the layman during their yearly emphasis on Lay activities. Methodist laymen will have a special opportunity for witnessing and speaking on "A New Awakening" this coming Sunday. The theme is from I Peter 3:15, "Always Be Reading."

The nursery and church school are active parallels for the worship services and invite the active participation of babies, children and youth. The full church school meets at 9:45 p.m.

The new membership class meets at the parsonage at 9:45-10:45 p.m. and will have their class picture taken at 9:30 a.m. They will unite with the church at the 11 a.m. service after a 3 weeks membership class.

The Bible study group beginning work in Daniel and the Dead Sea Scrolls meets every Wednesday from 10-11 a.m. and 7:30-9 a.m. promptly. There is room for a few more. The last meeting of the Junior and Senior High youths at 3:30 and 4:30 p.m. respectively, will be this Wednesday, October 19. The following Sunday, October 23, gold crosses will be given out to the youths having completed this class on "Boy-Girl Relationships."

Next Sunday night, October 16, Wes Buttermore will show his African films on the Congo at an evening program. The exciting story and film presentation will be made by both Mr. and Mrs. Wes Buttermore from their recent African missions. Refreshments will be served; child care will be provided for the very small ones.

Saturday is Men's work day at the church for taking care of the numerous tasks of physical labor. All men and youth of the church are invited to come out and participate.

Atonement Lutheran Church

Rev. Carl Nelson announces the start of a 'Family Bible Hour' to be held Sunday mornings at 9:30 a.m.

A Bible study course will be offered which will be of interest to all members of the family. If the Bible has been a closed book to you, either because of its language or arrangement, then this course will be of particular interest.

Along with the study of several books of the Bible, a course of study methods will be offered. Guidelines for study will be handed out, which, if saved, will serve as a valuable reference storehouse for your favorite Bible passages and their meaning.

The class will meet in the main sanctuary on the corner of Campo rd and Cordoba in Spring Valley. All are welcome!

La Mesa United Presbyterian

The Rev. Kenneth E. Grant, pastor of the La Mesa United Presbyterian Church, has chosen "Two Sides of Love" for his sermon topic at both the 9:30 and 11 a.m. services, Sunday, October 16.

Parents of the Jr. High Fellowship and the Niners (9th Graders) are meeting with the two groups for a potluck dinner at 6:30 p.m. tonight (October 13) at the church. Mrs. Frank Higgins is chairmaning the event.

Tomorrow night (October 14) Los Companeros is planning a Fall Round-Up. They will meet at the church at 6:30 p.m. and go out to Jamul for supper and a hayride. Further information may be had by calling Mrs. Lucille Lewis, HO 6-8869. All church members and friends are invited.

Out of each 4-cent stamp on a first-class letter moved by train, railroads receive less than half a cent — and they move the letter an average distance of 512 miles.

God's Boundless Love Emphasized In Christian Science Sermon

God's boundless love for man will be emphasized in the services at all Christian Science churches on Sunday.

Keynoting the Lesson-Sermon on the subject "Doctrine of Atonement" will be the Golden Text from I John (4:10).

Scriptural selections include Paul's declaration to Timothy (2:5).

"GOD'S WORD"

The Bible is not an ordinary book. Study of its contents will reveal that the writers had a common source. Though written over a period of sixteen hundred years, there is a unique inner unity. The book itself tells us the reason; the writers were guided by the Holy Spirit in their writing. God speaks to you in this book.

CONRAD LEMON GROVE MORTUARY

"...and we're close to the new school!"

Boasting about your home, Higgins? Well, that's understandable. Most men who have worked hard through the years to buy good homes for their families are proud of them.

Nice as your home is, its location in a progressive community, with all the public facilities needed for modern living, adds greatly to its attractiveness.

Someday—perhaps years from now—you may sell your home. When you do, the good schools, well-equipped fire department, modern hospitals, ample supply of pure water and other community assets can make a difference of *several thousand dollars cash in your pocket.*

Of course, you share the cost of these community assets. But the cost is spread over a long period of time to keep taxes at a reasonable rate. This is done by sale of *municipal bonds* on a competitive bid basis.

The Bank of America and its associated investment dealers bid on virtually all municipal bonds issued in the State. That's because we have confidence in the future of California and communities like yours.

Being right there on the scene, you know the business, industry and people in your community as well as anybody does. You've watched it grow and improve as the years went by. You've helped by voting for needed bond issues.

But have you ever thought of *buying* the municipal bonds issued in your area? They're available in denomination of $1,000. Municipal bonds pay you a good return and the income you get is *tax free.* The manager of your local branch of the Bank of America will be glad to give you full information — or you may write to

GET-OUT-THE-VOTE

Cub Scouts, Boy Scouts, and Explorers, throughout the San Diego Boy Scout Council, will have an opportunity this month to participate in one of the biggest mass advertising campaigns to "Get-Out-The-Vote" in history, according to a recent report from San Diego Scout headquarters.

Scouts on October 29 will distribute approximately 325,000 "Get-Out-The-Vote" door knob hangers as part of the nationwide "Good Turn" under the joint sponsorship of the Boy Scouts of America and the Freedom Foundation, Inc. of Valley Forge, Pa.

A special "Get-Out-The-Vote" committee in the San Diego Council has been formed by Council President J. Harvey Chambers, who will direct the campaign. Co-chairmen are Armistead Carter and Robert Golden.

As in previous "Get-Out-The-Vote" campaigns by the Scouts, this one is strictly nonpartisan in the concept and execution. The development of characters and good citizenship is the prime motive behind the job, the report stated.

The distribution of the hangers urging citizens to vote November 8, will be done in connection with the bag pickup of the Goodwill-Good Turn, October 29, to eliminate the need for duplicate efforts.

NEW SCOUT EXEC

Noel Allen, formerly of Rochester, N.Y. has been hired as a field executive by the San Diego Council of the Boy Scouts of America. This was confirmed recently by Dan Henry, Scout executive.

Allen is a graduate of Class 224 of the National Training School for Scout Executives. He is a Navy veteran and a 1956 graduate from the University of Rochester. An Eagle Scout, Allen has a rich background of Scouting experience as a Scout and volunteer leader, according to Dan Henry.

CUBS

A new Cubmaster and committeemen have been elected to Cub Pack 354 of the Casa de Oro-Homelands area.

Cubmaster is Jim Peterson, 3413 Scenic Terrace HO 6-0413. The committeemen are: Letcher Lynn, chairman; Louis Misch, treasurer; Warren Grimm, advancements and awards; James Elliott, program; and Fred Windisch, membership.

Den mothers are Mrs. F. Lany, Den 1; Mrs. F. Barney, Den 3; Mrs. F. J. Dowd, Den 4; Mrs. O. Kessinger, Den 5; Mrs. Sidney Kent, Den 6;; Mrs. Warren Overton, Den 7; Mrs. John Franceschi, Den 9; and Mrs. Leonard Weaver, Den 10.

Den mothers are still needed other women who are willing to spend a few hours each month in this worthy and useful endeavor. If you can possibly help, phone Cubmaster Jim Peterson.

Pack meetings are held the third Friday of each month and the committee meetings are the first Monday of each month. Time and place of the meeting will be announced, said Cubmaster Peterson.

TROOP 171

Nineteen Boy Scout of Troop 171, three new applicants, several parents, and guests attended the September 27 meeting of the Troop, at which a Court of Honor was held. The Cobra and Ranger Patrols were especially complimented on their good behavior. The program was directed by senior patrol Leader Paul Brose, Acting Scoutmaster William Kuticka, and Assistant Scoutmaster Jerry Newell.

The meeting opened with the flag ceremony, led by the Ranger Patrol. Kenneth Matters, committee chairman, reported on the recent pancake breakfast. He said that about 400 tickets were sold. There were 137 persons served with 19 Scouts serving and 10 adults on K.P.

With Explorer Scouts of Post 371, Russell Elmore, Steve Babby and Jack Elmore in the receiving line, Paul Brose officially presented his application for membership in the Post. He met all the requirements.

Swim togs, Mataguay neckerchief slides, were passed out to the Scouts who attended summer camp this year. Jerry Newell presented "Tote" cards to Scouts who had not received them during the summer. Jim Turner and Jeff Turner, who became candidate Scouts at the re-registration on July 31, were presented with neckerchiefs and were welcomed into the Troop.

The following advancements in rank were recognized with presentation of appropriate cards, badges, pins, and mothers' miniature pins:

Jim Turner, Tenderfoot; Mike Oliverio, second class; Bill Brady, first class.

The following merit badges were presented: Larry Kuticka, Geology; Bill Brady, Nature; Garnett Pankey, Nature and horsemanship; Paul Brose, rabbit and poultry raising and electricity.

The following leadership bars were presented: Larry Kuticka, patrol leader (Cobra); Bill Brady, assistant patrol leader (Cobra); Ronnie Moorse, patrol leader (Rangers); and Clifford Brown, assistant patrol leader (Rangers).

Clifford Brown, who was absent, submitted his transfer into Troop 168 at St. John's.

Jim Turner, who will soon have charge of the troop, was introduced at the meeting. He became an Eagle Scout in 1938 and has been active in Scouting for many years. He is a civil engineer and did a few hitches in the Navy, coming out as a Lt. Commander. He spoke at the meeting on "What is a Boy?"

Before the meeting adjourned the group discussed future campout plans.

SV Man to Teach Bank PR Course

A Spring Valley man has been selected to be an instructor this year for the American Institute of Banking, the largest adult educational institution in the world, sponsored by business or industry.

E. Keith Sigars, who resides at 10095 Sierra Madre Drive, Spring Valley, will be teaching "Public Relations for Your Bank," at Wilson Junior High School. Sigars is assistant cashier and advertising manager for The First National Trust and Savings Bank in San Diego.

Scouts Join County Goodwill, 'Get Out the Vote' Campaigns

Cub Scouts, Boy Scouts, and Explorers throughout San Diego county will have an opportunity this month to participate in one of the biggest mass advertising campaigns to "Get Out-The-Vote" in history.

Grossmont District Scout leaders will be meeting next week to hear final instructions for two county-wide Scout Good Turns October 29.

They will gather at Lemon Avenue School, 8787 Lemon ave., La Mesa, October 20, at 7:00 p.m., according to Richard L. Johnston, administrator at Children's Hospital and volunteer chairman for the Scout Good Turn.

The two Good Turns are a Goodwill Good Turn and a "Get-Out-The-Vote" Good Turn. To conserve manpower, they are being conducted on the same day, October 29, Johnston said.

More than 15,000 Scouts will distribute 150,000 Goodwill bags to homes October 22 to be filled with clothing.

The Scouts will return October 29 to pick up the bags and at the same time distribute 325,000 "Get-Out-The-Vote" doorknob hangers.

The message on the doorknob hanger will read: "Heed Youth's Call. Ring the bell for freedom. Vote as you please, but vote!"

For the Goodwill-Good Turn, the Scouts are joining with Rotary Clubs throughout the county and the San Diego unit of the Trucker's Association.

The "Get-Out-The-Vote" Good Turn is part of a nation-wide effort under the joint sponsorship of the Boy Scouts of America and the Freedom Foundation Inc., Valley Forge, Pennsylvania.

The Fire Box

LEMON GROVE

The Lemon Grove Fire Department pulled some of its big stuff out this week, Fire Prevention Week, and proved that regardless how careful people are, they still get into some hot spots.

Last Thursday evening they were called to an apartment to put cue a fire that started in a chair. It was in the second floor apartment of Jack Donahue, 7550 North ave. The fire got so hot it cracked a picture window. It also burned the chair, drapes, and a steel guitar.

Early in the week a truck caught fire at the intersection of Imperial and Broadway. The truck backfired, ignited fuel from a flooded carburator, and the flame sneaked through a hole in the fire wall and lit some material on the floorboards. The truck had to be towed away.

SPRING VALLEY

Three ambulance runs and two fire calls were answered by the Spring Valley Fire Department during the past week.

William A. Peterson, 38, of 10306 Don Pico ct., was picked up at a Spring Valley doctor's office October 5 and transferred to Grossmont Hospital after he had apparently suffered a heart attack.

A Mt. Miguel High School student, Anna Cordoza, 14, of 2450 Cypress st., Lemon Grove, was taken to a doctor on October 7, after suffering a dislocated left knee while dancing at the school.

James M. Theres of 4040 Nabal dr., Homelands, was taken from S.V. Fire station 2 to his home after he became ill.

The first fire of the week was on October 6. Four acres of dry grass burned at the south end of Cordoba st., in the Casa de Oro area. Cause of the fire was unknown.

The Department answered an out-of-the-district call on October 7, just east of Lomita Village, at Elrose and Carlsbad sts. Nearly four acres of dry grass burned. The report stated that children playing with matches was probably the cause of the fire.

Grove Students To Be YMCA Co-Ed Guests

The Co-Ed Club, co-sponsored by the Lemon Grove Youth Center and Seminole Center YWCA, will hold a potluck dinner at the Youth Center on Friday at 6:30 p.m. Members of the seventh and eighth grades in Lemon Grove with members of their families are to be guests.

The affair will serve as an introduction of the new 1960-61 Co-Ed Council, which includes: Linda Johanson and Richard West, co-chairmen; Vivian Aranda, Philip Bunch, Dave Johnson, Kittie Midose, Joe Morgan, Jean Nielson, Dain Norman, Barbara Riley, Karen Rusk, and Danny Taylor.

Entertainment will be provided by the Helix High School Orchesis Club, and hula, baton, and modern dance numbers by the La Mesa Recreation department. Richard West will serve as M.C.

Mothers coordinating the plans for the supper are Mrs. Libby Bunch, Mrs. Ray Devin, Mrs. Harold Drew, and Mrs. C. J. West. For further information call HO 6-6202, HO 6-8801, or HO 9-7254.

Throwin' the Bull

By Bob Turnbull

There is a magnetic force that from now on will draw thousands of spirited fans into a new football stadium nestled in the bustling community of Spring Valley.

They will come with hearts beating a little faster, spirits a little sharper, and smiles a little broader. They've got a secret that just shouts out of them.

For on Friday evenings these community-minded citizens will respond to that "force" to come to their home-away-from-home. This is possible because a group of just average, God-fearing individuals formed themselves into an organization entited the Mt. Miguel High Schcol Boosters Club. This club has accomplished what no other club in California has ever accomplished. They have built with their own hands and with their own money a vast high school football stadium, complete with expensive lighting.

This story is well known in the Spring Valley-Lemon Grove area. I need not go into it again. But being a journalist (amongst my other careers) I spotted this story immediately. And it was that story of a community rocked with the spirit of youth that gently tugged me down to my old home town when Melvin Grant, head scholastic mentor of Matadorville, invited me to be the emcee of the formal dedication ceremonies for the stadium.

I jumped at the opportunity, and although I scored with one goof, nonetheless it was a sincere thrill to take part in a history making night, never to be repeated. For last Friday eve the stadium was officially given to the school district, who, in turn, presented it to the student body of MM.

By the by, for those morbidly curious my flub was when I came out with: "Wow! With spirit such as you Miguel students have, you'll give an inferiority complex to the Chula Vista (Hilltop High) girls team you're playing tonight!"

That wasn't too bad, but the microphone I was speaking into wasn't just for the Miguel side. I later found out it was the stadium mike and when our southern visitors heard that scorching remark I thought World War III was getting underway. For ten minutes the air was filled with oral violence from their cheering section that gave me the idea I was their number one public enemy. (But I couldn't care less).

My only regret was that Mr. Grant had to get a sore jaw when it suddenly dropped eight inches upon hearing my now classic comment. He was sitting near me and I thought I heard a weak "oh, no!" escape from his throat. Mr. "G", please accept my public apology if I in any way embarrassed you or the school. I was merely attempting to keep Miguel's fabulous spirit up for the game, not realizing our personal ceremonies was meant for strangers. The next time I come to Mt. Miguel for anything optimistic, aren't I? I promise to keep my Shelley Berman-type mind in line. (But I did think it was funny!)

The football war itself was only spotted with excitement with the Matadors actually losing instead of the other team winning (if you follow my reasoning). The spirit was alert, the band and drill teams at half-time brilliant, and the song and cheer leaders looked sharp. And speaking of the songleaders (all of them dolls) I thought dark-haired Pat McCullough was cuter than a lot of my teen-actress friends in Hollywood. Wow! If only I were just a couple years younger.

Again, my sincere thanks to Mr. Grant and all the Mt. Miguel students. Have a great year and always retain your fine spirit.

Until tomorrow, **Vaya Con Dios!**

RETIRE, SURE WHY NOT? — A truck full of tires sits in front of La Salle Enterprises waiting to be unloaded for the tire sale at La Salles which started Monday and will end Saturday.

La Salle's Tire Sale Continues

You can retire in October, or so it seems, according to La Salle Enterprises.

Promoting the largest tire sale in their history, La Salle has received a truck-load of brand new Goodyear tires. "We bought at the right price to pass a substantial savings on to our customers," said Edward La Salle. "We have new Goodyears all sizes - black or white to fit any car - and we're selling them right off the truck."

The truckload sale has run since Monday and will continue through Saturday at 7285 Broadway, Lemon Grove.

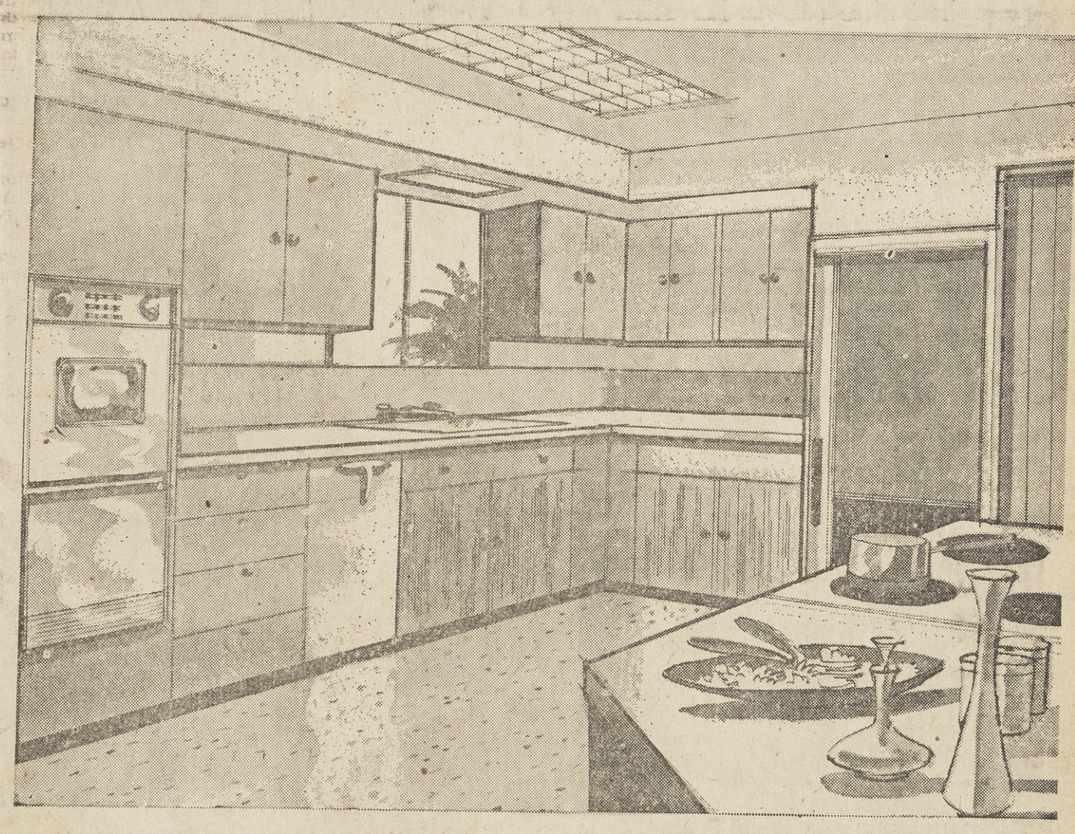
Can your kitchen compare?


Maybe it doesn't right now, but it certainly **can**...and it certainly **should.** Think of the hours you spend in the kitchen each day. And think of your guests—with their fondness for congregating in the kitchen. Make it a cheery, efficient, convenient, **inviting** room—a room that's fun to work in, that reflects your talents as a homemaker.
What makes a modern kitchen? An up-to-date electric or gas range...a big, efficient food freezer...automatic dishwasher and waste disposer...plenty of portable appliances...adequate lighting...ample cabinet and storage space...a practical arrangement of work areas...and sufficient wiring to supply the full Housepower which keeps a kitchen operating at its peak.
To help you with your kitchen planning, the Kitchen Division of the Bureau of Home Appliances of San Diego County is sponsoring a new "Kitchen Seal of Approval" program. Participating appliance dealers and kitchen contractors will be happy to advise you.

SV Sewer Committee, County Officials Meet

The newly appointed Spring Valley Sewer Committee met with Jean Vincenz, County director of Public Works, and Warren Barney, County Chief Engineer, at Mt. Miguel High School last Thursday evening.

It was the first of such meetings to iron out difficulties due to odor eminating from the Spring Valley sewage treatment plant. The Committee was appointed at a meeting in the Spring Valley Chamber of Commerce September 26. There are approximately 25 members in the Sewer Committee.

At the meeting Barney stated that the question at hand is whether to enlarge the present plant or to plan for the trunk line to the Metropolitan System. It is vital because of the rapid growth of the area. He said that at the time the bonds were voted for the present treatment plant that the assessed valuation of the area was slightly over $5 million. Now the valuation has jumped to $17 million.

To enlarge the plant over a ten-year period, it would cost approximately $1,155,000, with only 40,000 people to pay at a rate of approximately $115,500 per year, and this would still be just a temporary plant.

For a trunk line from Spring Valley to Chula Vista, and large enough to provide for 8 million gallons a day for Spring Valley, plus 10 million unassigned gallons, it would cost approximately $1 million at about 4 per cent and paid off by approximately 60,000 people over a 30 to 40 year period.

It is obvious, Barney pointed out, that a trunk line would be the cheapest way to solve the overloaded sewer problem, and this would be a permanent sewer, whereas the enlarged treatment plant would only be a temporary setup. It is believed that the sewer bond issue would not affect Spring Valley's tax rate because of the increased valuation of the sewer district.

The Spring Valley Sewer Committee will meet again in two or three weeks. At that time Vincenz and Barney will possibly have more detailed information in regard to the proposed plan as set forth by the Spring Valley Sanitation District and the County Board of Supervisors, which has been requested by the State Water Pollution Board.

Plaster Once Was Rock Says Cale

"For 25 centuries, plaster has remained virtually unchanged either in content or in esteem," said Julian D. Cale, Field Service Director for the Plastering and Lathing Institute of San Diego. "Then as now it was made of the same durable ingredient - rock. For plaster is simply rock that has been reduced to a plastic substance," he continued.

When used in the tombs of ancient Egypt, plaster was applied with crude instruments. Now, modern trowels and plastering guns increase the efficiency of th skilled modern-day craftsman who has mastered his trade through years of training and work.

"When plaster has dried, it reassumes its natural rock qualities," said Cale.

Expect Planners To Approve Church Permit

SAN DIEGO (CNS)—Approval of a special use permit for a new church in Spring Valley will be voted, if a pattern for streets can be developed, the County Planning Commission decided Friday.

Applicant for the permit was the Lutheran Church, Missouri Synod, for a site on Sweetwater Springs blvd., opposite Harmony ln.

Robert Des Lauriers, architect for the church project told commissioners that the topography in the area and the nature of the soil required some change from the proposed extensions of some of the streets.

Involved are Loma Rancho and San Carlos streets.

The commission continued its hearings to November 4 to allow more time for an alternate street pattern to be developed. It also agreed that the church would only have to provide the needed rights of way and would not have to do the actual work of improving the new streets.

A special use permit for a Sweetwater road site, east of Paradise Valley road, for another church was approved Friday by the commission.

The applicant for this permit was the Spring Valley Assembly of God Church. The church as a condition for the permit agreed to give the county 25 feet of additional right of way on Sweetwater road, for the widening of that thoroughfare.

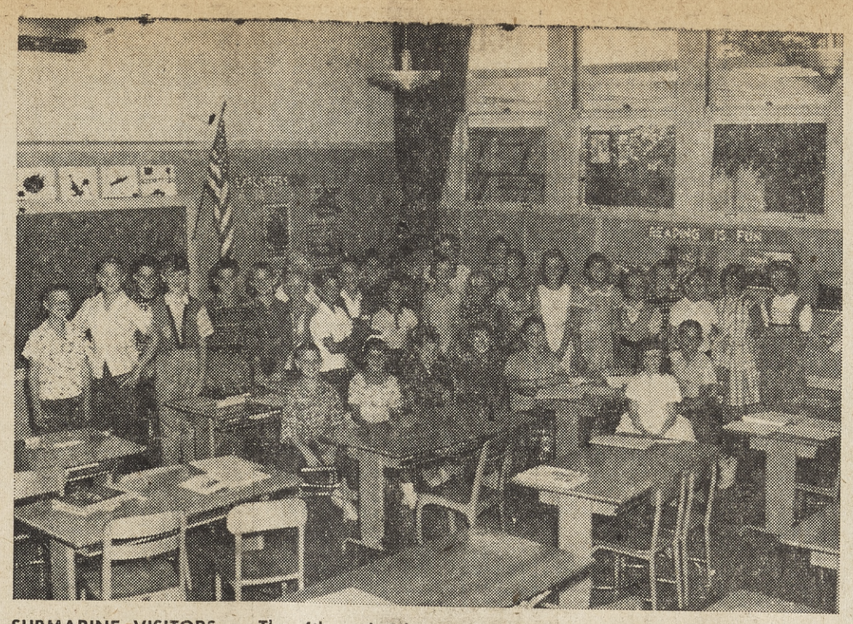
Another attempt to help property owners in the Avocado and Bancroft area of Spring Valley make plans for their land so it can be re-zoned was voted Friday by the County Planning Commission.

If the nine property owners affected can provide a plan for 30-foot rights of way to provide access to all parts of the area by November 4, the commission indicated it might approve a change from agricultural to single family zoning.

Otherwise, it was stated a change of zone will be considered only for the land fronting on Avocado st.

A delay of a year for filing the final map for Ildica Estates (subdivision), Spring Valley, was granted Friday by the County Planning Commission.

Marsolan, Inc., developers of the project, filed a tentative map for 35 lots in the subdivision's second unit a year ago. The final map was to be in this month. Now it can be delayed to October 16, 1961.



SUBMARINE VISITORS — The 4th and 5th grade class of S. Balderas at Vista La Mesa school show pride in their faces at being named winners in the PTA drive at the school. The class had a 258 per cent membership enrollment. As a reward, the children got a chance to do probably what every child in the country would want to do, they visited the Navy submarine, USS Salmon last Saturday. A ringing cheer rose when they were told they had won. (Staff Photo)

Ground Breaking Ceremony Marks Opening of New SV Fire Station

Jackson-Scott Construction Co. of La Mesa, were low bidders for the new Spring Valley Fire Station, to be built at Gillespie dr. and San Francisco st., in South Spring Valley. Jackson-Scott's bid was $53,888, about $3,000 under the next highest bidder. There were six bids in all, the bids being opened by the Fire Commissioners October 5.

Ground breaking ceremonies are scheduled for Monday, with Supervisor Dave Bird being the guest of honor, along with the S.V. Fire Commissioners.

Spring Valley Fire Station 3 will be a one story building and will be the main headquarters for the District. It will have officers quarters, a chief's office, an assistant chief's office, a secretary's office, a fire commissioners' office, a workshop, hose tower, 1½ baths, recreation room, and men's lounge. There will be room for two pumper trucks and a central heating unit will furnish heat to each room. The alarms will go directly into Station 3 and thence to Stations 1 and 2. The siren system will still prevail at all three stations. It is expected that the new station will be ready for occupancy by March 1, 1961.

Spring Valley Fire Chief Frank Berger, says the department is getting two new pumpers, which should be ready by March 1, 1961. Being built by P. E. Van Pelt Co. of Oakdale, Calif. each truck, fully equipped will cost approximately $29,500. Each truck is capable of pumping 1,000 gallons of water per minute and each will carry a 500 gallon tank. Each will have 1,500 feet of 2½ inch hose, 500 feet of 1½ inch hose, and 300 feet of rubber hose on a reel. One truck will be housed at the new station and the other at Station 2 on Ramona dr., in the Casa de Oro area.

Freight cars of Class I railroads number 1,672,000 units, according to the Association of American Railroads. Placed end to end, this fleet would form a solid train over 14,000 miles long, spanning the continent nearly five times.

A modern railroad sleeping car costs around $300,000, enough to buy 100 new autos, the Association of American Railroads reports. Even freight cars cost an average $9,500, almost four times as much as 20 years ago.

U. S. railroads receive less than 1½ cents for moving the average ton of freight a mile. This compares with 6 cents for motor carriers and 24 cents for air carriers, the Association of American Railroads reports.

Methodist Officials, CPC Clash Over Foothills Church Sign Size

SAN DIEGO (CNS)—Church officials and the County Planning Commission clashed Friday over the size of a sign to be placed in front of the Foothills Methodist Church on Avocado blvd., between Spring Valley and El Cajon.

The church group asked for a special use permit for a sign with an area of 50 square feet and located right on the property line.

Commissioners agreed only to a sign half that size, located 20 feet back from the property line.

James Bernard, the church architect, and James King, pastor of the church, both spoke in favor of the larger sign, pointing out that the church is to be built in an area where there is no foot traffic, so the sign has to be seen from cars.

But the commission remained adamant, on the basis that the area is a residential one, so any signs are out of place.

In deciding that the sign must be no larger than 25 square feet, the commission went a step further in regulating the church's plans. The church was asking for a two-faced sign, so the commission ordered the county counsel's office to draw up the description of the sign in such a way that the church could not make the two faces side by side, thus giving it the equivalent of one sign with 50 feet of area.

The new description of what will be allowed is to be ready for the commission to act upon at its October 21 meeting.

Class I railroads pay about $400 million a year in taxes to state and local governments, according to the Association of American Railroads. This total, it points out, is 27 times the amount of such taxes paid by Class I intercity truckers, 63 times that paid by intercity buses, 80 times that paid by domestic airlines and 400 times that paid by regulated water carriers.

He Went That-a-way

There are always some interesting stories floating around a fire station. Some of them are pretty tall, some funny, some serious. Most are intriguing.

Take one of the sort of funny ones.

It seems that some of the boys at the station were sitting around when a call came in about a fire in a furniture truck that just passed through La Mesa.

The truck was just passing through, so, by the time the La Mesa department answered the call, the truck had entered the freeway going toward San Diego.

The Lemon Grove Fire Department was called and, considering the truck was in the area controlled by the Department of Forestry, the call was referred to them.

Well, by the time the Forestry people got there, the truck was in the Lemon Grove area.

All the companies then answered the call and the chase began. All along the freeway the big equipment started to roll.

Well, as luck would have it, they all missed. So, someone called the furniture company to tell them about what happened. It seems, though, that they knew all about it.

In piecing it all together the fire companies found out that the driver of the truck discovered the fire, stopped, put it out, and then went on his merry way.

Jottings From Jobs

By Connie Perkins

Honored Queen

Lemon Grove Job's Daughters

Job's Daughters of Bethel No. 229 of Lemon Grove had a summer filled with excitement and fun. The girls are now back to school and things are returning to normal.

On June 15, just before summer vacation, the following girls were initiated; Margaret Gramoy, Susie Keeton, Carol Askew, Cheryl McCay, Sharon Camp, Janet Goodwin, Rhonda Anderson, Maureen Coulter, and Christine Covey.

The first activity was a trip to see "Ben Hur" at the Capri Theater. We went to the Saturday matinee and saw the 1:30 performance. The film was excellent and the girls thoroughly enjoyed themselves.

On June 30, we left to go to the Del Mar Fair where the girls visited interesting exhibits, the amusement park, and the animal judging.

On July 19, we had our Bethel Birthday Party which celebrates the date of our institution as a bethel. We played games, had a birthday cake, and had a real good time.

On July 25, we had a Swim and Bar-B-Q at Carmen Ranch Club from 5 to 9 p.m. We swam and then ate by the pool. It was the biggest success of the summer activities.

We then went on a camping trip August 5, 6, and 7 at Cuyamaca. We left at 2 p.m. Friday afternoon with 36 girls. We were loaded up with sleeping bags, and suitcases. The three days were filled with hiking, singing, campfires, and plain old loafing. We left on Sunday and arrived home tired and hungry.

The final activity of the summer was a Luau which was a joint activity with the Lemon Grove DeMolay. The day was full of swimming, eating, and sunning. It was a perfect ending for a perfect summer.

ENGAGED—The engagement of Terry Diane Miller to Samuel Weldon Wilshire, son of Mr. and Mrs. Samuel Weldon Wilshire, Birmingham, Ala., has been announced by the bride-to-be's parents, Mr. and Mrs. Millard E. Miller, 2671 Grange st., Lemon Grove. Miss Miller is a graduate of Mt. Miguel High School and is with Union Title Insurance Co. Mr. Wilshire is with the government at North Island. The date of the wedding has not been set.

LG Women's Club To Hear Florist

The regular meeting of the Lemon Grove Women's Club will be held Friday, October 14 at 1:30 p.m. in the Clubhouse 2810 Main st., Lemon Grove.

Guest speaker will be Mrs James Barrows, florist, who will talk about floral arrangements. There will also be a five minute talk on county school issues.

On Tuesday, October 18, at 12:30 p.m., there will be a dessert-card party in the Clubhouse. The public is invited. These card parties are held on the third Tuesday of every month.

The Southern District meeting will be held at the Alpine Women's Club Wednesday, October 19, at 9:30 a.m.

Local XEA Chapter Plans Pledge Ritual

Xi Eta Alpha Chapter of Beta Sigma Phi will have a Pledge Ritual for Mrs. Gerald Olsen, Monday, October 17. The ceremony will be held in the Lemon Grove home of Mrs. Bernerd LeBlanc with Mrs. Robert Adolph, membership chairman, in charge of the evenings events. Mrs. William Watson, social chairman, will have a festive buffet to tempt all present.

Attending the ceremony will be a former Lemon Grove resident and chapter member Mrs. Jerry Button and long time member Mrs. Hal Emerson, sister-in-law of the president, Mrs. Harold McDermott. Mrs. Emerson is visiting from her home in the Hawaiian Islands.

The officers for the ensuing year are, Mrs. H. McDermott, president; Mrs. R. Adolph, vice president; Mrs. William Watson, recording secretary; Mrs. Charles Francis, corresponding secretary, Mrs. Bernerd LeBlanc, treasurer; Mrs. Charlie Olsen, extension officer; Mrs. Thomas Best, city council representative.

The group has chosen Cystic Fibrosis as their main project this year and are starting things off with a bridge luncheon to be hostessed by Mrs. Charles Francis in her La Mesa home, November 10.

SD Real Loans Top $46 Million During September

Real estate sales in the Lemon Grove-La Mesa-Spring Valley area during September totaled 236. Total sales during the preceding month was 263.

"Carefully selected real estate continues to produce more return for the investor than any comparably sound investment." James C. Downs, head of Real Estate Research Corp., Chicago, and editor of Trends, monthly real estate publication.

Downs also points out that current real estate sales statewide compare favorably with those during the year preceding. As for mortgage money, it more plentiful now than in the earlier period of 1960. Accordingly, real estate dealers should expect to "find it less difficult to finance their transactions in the month's ahead." Total dollars loaned throughout San Diego by all sources during September was $46,845,659.

Off-Street Parking Law Develops No Opposition

SAN DIEGO (CNS)—Approval of a county ordinance on off-street parking was put off at Tuesday's meeting of the County Board of Supervisors, only because nobody appeared to protest it.

The Board, even though told that the County Planning Commission had held hearings on the ordinance and stories of the hearing had appeared in county newspaper, could not apparently believe that nobody was opposed to it.

At the time of the hearing, there was not a single person in the Board chambers, except for county employes and representatives of the press.

"Maybe we'd better pass this now, before we get any opposition," said Supervisor David V. Bird.

However, the other Supervisors agreed to put off a decision until October 25.

The proposed law establishes parking off the street for all the 25 zoning categories in the county. Now only residential-professional, straight C zoning and three types of industrial zoning have parking requirements.

The new law would also establish a "P" zoning, where land can only be used for parking purposes.

Federal spending for highways, waterways and air facilities in the last 10 years has totaled $16 billion, a fourth of which was spent in 1939 alone, the Association of American Railroads reports. In the same period, railroads paid out $11 billion in taxes of all kinds, including $4 billion whichc went in income taxes to the Federal government.

School Bond Election Polling Places Named

Next Tuesday, October 18, is the special election called by the Lemon Grove School Board to provide funds for building additional facilities at the several schools. The two bond issues provide funds up to one and a half million dollars for constructing classrooms and other buildings.

A two-thirds endorsement by the voters is needed on school bond issues in this state. School Board officials called the election to provide additional classroom space for expected enrollment. Of 4,000 students now enrolled, 350 now attend double sessions. The bond issue if successful would provide room for approximately 1,000 more pupils expected within the next few years.

Polling places include: No. 1, Vista La Mesa School; No. 2, San Miguel School; No. 3, San Altos School; No. 4, Monterey Heights School; No. 5, Palm Junior High School; and No. 6, Lemon Grove Junior High School.

Polls will be open from 7 a.m. until 7 p.m. next Tuesday. Since voting is quite heavy during the late afternoon and evening hours, early voting whenever possible is encouraged.

New Daughter Born To Chef At Michael's

A baby girl was born to the Paul Hoffman family Tuesday at Sharp hospital. She was delivered by Ceasarean section and both mother and daughter are doing fine.

The Hoffmans live at 1530 El Prado in Lemon Grove with a family now numbering five including mother and dad.

Hoffman has been chef at Michael's Cafe in Lemon Grove for the past eight years.

Show, Football Game Highlights 28th Annual Y-Day in Hollywood

The 28th annual Y-Day in Hollywood, biggest YMCA event in the world, will be attended by Heartland YMCA families on Saturday, October 15.

F. Robert Meyer, III, executive secretary of the Heartland YMCA, announced this year's date. He said that at least 100 local youngsters and adults will attend Y-Day.

"Actually, the more the merrier," said Meyer. "We have the entire Hollywood Bowl for a show by popular entertainment stars of the day, and emceed by Jack Linkletter," he noted.

Y-Day starts in the morning and continues through the afternoon with reserved seats in the Los Angeles Coliseum for the USC - California football game.

He emphasized that reservations now are available at the Heartland Y.

GOP HQ OPENS — Republican officials and workers gathered last week to open the Lemon Grove GOP headquarters at 7820 Broadway. Some of those who checked in to see that everything was in readiness for a long, hard campaign were: Jack Manion, Roy Erwin, Ethel Harvey, Congressman James Utt, E. R. Andrix, and Alex Muro. Manion and Utt are candidates for assembly and U.S. House of Representatives. Erwin is chairman of the L.G. Republican club and Mrs. Harvey is area chairman. Andrix and Muro are precinct workers, and as Mrs. Harvey said, "very hard working ones, too." GOP head quarters is open all day every week day.

La Mesa C of C Directors Back Jr. College Formation

The La Mesa Chamber of Commerce Board of Directors voted unanimously to back the formation of a junior college district in the Foothills area. This issue will be presented to the voters on November 8. Members heard Lewis F. Grossmont Union High School District, present information regarding such a district.

Mr. Smith pointed out that increased college enrollments everywhere make it difficult for local high school students to get college or technical training because of tightened entrance requirements and increased expense. A local college would enable high school graduates to take their freshman and sophomore college years near home. This is a pattern being encouraged by the California Master Plan of Higher Education.

It was also shown that a local community college would serve adults who want college training for advancement on the job or just to keep up with the changes taking place rapidly in business, industry, and the professions.

Mr. Smith emphasized that at the present time a rate of 24 cents per $100 is being paid to support junior college education of local students in colleges elsewhere, and that the amount now being spent would be increased only about 9 cents the first year, 23 cents the second, and 30 cents the third year. This expenditure would be an investment in local educational facilities.

A motion to endorse formation of a junior college within the Grossmont Union High School District was made by Al Freeland after the presentation and seconded by Ralph Clark. Members voted unanimously in favor of the motion.

L.G. Chamber Reports $hort$

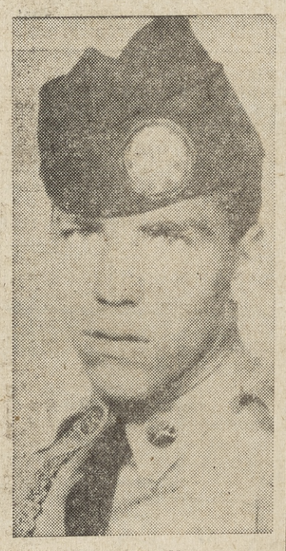
Finances occupied the directors of the L. G. Chamber of Commerce at its regular monthly board meeting at El Morocco.

Members heard President Larry Folda report that the chamber would end the year with a deficit of more than $500 unless a successful money-raising project was developed. Already in the works, he said, was an outdoors merchandise sale. The Junior Chamber of Commerce will have an active part in the project, he said.

Appreciation was shown by directors to George Scott who said the Lemon Grove directional sign would be erected "as soon as the Chamber cleared the land lease details.

The sign will point the way to Lemon Grove from a point near the College Grove shopping center. Scott is original developer and major retailer in the center.

SERVICE NOTES



Pvt. Willis Graduates

Army Pvt. William J. Willis, son of Mr. and Mrs. Irving B. Willis, 2712 Sweetwater rd., Spring Valley, recently was graduated from the 101st Airborne Division Jump School at Fort Campbell, Ky.

Willis received his paratrooper wings after completing three weeks of intensive ground and aerial training which included five parachute jumps. He entered the Army last April and completed basic training at Fort Ord. The 19-year-old soldier is a 1959 graduate of Mt. Miguel High School and was employed by Convair Aircraft before entering the Army.

Valley Sailor Graduates

SAN DIEGO, Calif. (Spcl)—Bob J. Daniells, USN, son of Mrs. Micheal Anderson of Spring Valley, graduated from recruit training September 30 at the Naval Training Center, San Diego.

The graduation exercises, marking the end of nine weeks of "boot camp," included a full dress parade and review before military officials and civilian dignitaries.

In nine weeks of instruction, the "raw recruit" is developed into a Navy Bluejacket, ready for duty with the fleet.

Sgt. 1/c Veliquette

MANNHEIM, GERMANY (Spcl)—Army Sergeant First Class Raymond A. Veliquette, son of Mrs. Edith Veliquette, 2351 Cypress ave., Lemon Grove, participated with other personnel from the 90th Transportation Detachment in Operation Flash Back in Europe. The 12-day exercise ended September 30.

The exercise tested the efficiency of Seventh U. S. Army Support Command units under actual field conditions, and involved NATO land, sea and air forces.

Sergeant Veliquette, a helicopter repairman in the detachment in Hanau, entered the Army in 1942.

The sergeant is a 1941 graduate of El Centro High School and attended El Centro Junior College.

His wife, Betty, is with him in Germany.

200 Meet at Annual Leadership Conference

Approximately 200 professional leaders met Saturday at the Stardust Hotel in Mission Valley for the 13th annual Leadership Conference sponsored by the San Diego County Teachers Association. Dr. Cecil Hardesty, San Diego County superintendent of schools, keynoted the all-day session, with Bob Rees, California Teachers Association director of Field Service, chosen as the general session speaker of the afternoon.

Geared to the needs of local teachers' associations, the conference featured key CTA and NEA staff personnel who led discussions in the areas of school finance, retirement, professional relations, public relations, legislation, and related subjects.

Discussion leaders included Arnold Wolport, NEA West Coast director; Ted Bass, CTA assistant director of Field Service; Mrs. Margaret Lemmer, CTA-SS president; Mrs. Anna Garner, CTA-SS assistant secretary; Richard Haley, CTA-SS director of placement; and J. Allen Hodges, past CTA State Retirement chairman.

Pony League Gets Use of School Grounds

The Lemon Grove school board gave approval Tuesday night to a local group to use the junior high ball field for Pony League baseball play this summer.

Representing the League were J. R. McClure of Roy st., J. R. Ott of Buena Vista, and Webb Carson of Hisbiscus st. All are Lemon Grove residents.

The League will use the junior high facilities as an interim measure, Byron Netzley, school superintendent said. The group will build its own diamond in a park area near Monterey Heights school.

Parent's Guild Meets Tonight

The first meeting of the Parent's Guild of St. John of the Cross school will be held tonight at 8 p.m. following the Rosary.

All parents of new students are cordially invited to attend and meet the faculty and members of the Parent guild. Refreshments will be served after the meeting by the sixth grade room mothers.

Friends Community Church

Announcing the new program schedule for evening services from 6 to 7:30 p.m. each Sunday. All Christian Endeavor Societies from Primary through Adult groups will meet at 6 to 6:45 p.m. followed by service of Singspiration and Evening Meditation closing at 7:30. held in the Chapel.

Friendship Circle in its meeting of October 4 was privileged to have as their speaker, Mrs. Helen Brush, retired Baptist Missionary, now living in the San Diego area. Mrs. Brush has spent 24 years in India and four years in Rangoon. She spoke in costume and displayed for us many interesting curios, pictures, and costumes as well as a timely message on the status of the women in India. She emphasized vividly what the Christian religion has done for the women of India.

Social hour followed with dessert and coffee served by the hostess, Mrs. Bill Williams of Spring Valley.

The Women's Circles of the church report great success in their food booth held during the Spring Valley Fiesta Days. Desserts of all kinds were served and the Young People of the Church furnished home made candy. Mrs. Henry Austin and her committee are to be congratulated for their work and efficiency.

The recently organized High School - College age Sunday School class have selected as their identification the nautical theme and name "Belles and Bouys". Their officers being: Bob Riggs, First Mate; Diane Hagan, Purser; Carol Ray, Stewardess; and Captain (teacher) Mrs. Loren D. Mills.

Elva Wood, organist-director of the church choir, reports six new members. These members add greatly to the Ministry of music.

Preparation and plans are being made for a Quarterly Meeting Conference November 11-13 to be held in Friends Community Church Spring Valley. The Quarterly Meeting includes the Friends churches of San Diego, Ramona, Sunnyside, Holtville, and Spring Valley. Speaker for the Conference will be Dr. Arthur O. Roberts, professor and writer of Newberg, Oregon. The 32 voice choir will be part of the musical portion of the Conference. The public is cordially invited.

Gentlemen:

We have examined the financial records of the Treasurer of the Grossmont Hospital District for the period beginning July 1, 1959 and ended June 30, 1960. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement of financial position—all funds, presents fairly the financial position of each fund of the Grossmont Hospital District at June 30, 1960, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours very truly

NOTICE TO CONTRACTORS INVITING BIDS

NOTICE IS HEREBY GIVEN that the Grossmont Union High School District of San Diego County, California, acting by and through its governing Board, hereinafter referred to as the District, will receive up to, but not later than 2:00 o'clock p.m. of the 21st day of October, 1960, sealed bids for the award of a contract for FURNISHING MOBILE, MECHANICAL FOLDING BLEACHERS. Such bids shall be received in the office of the Governing Board of said District in Administrative Office, Grossmont Union High School District, Grossmont, California and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the information for Bidders, the Specifications, the Plans, and all the other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of the said Board at the above address.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

The District has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract, which will be awarded to the successful bidder, to be as follows:

Trade or Occupation	Per Diem, Hourly Wage	Wage Rate
Structural Iron Workers	$34.20	$4.27-½
Foreman	37.00	4.62-½
Laborer	24.64	3.08

The foregoing schedule of per diem wages is based upon a working day of eight (8) hours. The rate for legal holiday and overtime work shall be at time and one-half. The hourly wage rate prescribed hereinabove is the per diem rate divided by the aforementioned number of hours constituting a working day.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Attention is called to the fact that a list of proposed subcontractors must be submitted with the bid.

No bidder may withdraw his bid for a period of thirty (30) days from the date set for the opening of bids.

Miguel Drops League Opener; Hilltoppers Squeak 9-6 Win

By Bill Ott Jr.

Mt. Miguel's varsity gridders ran up against a tough defensive foe when they clashed with the Hilltop Lancers Friday night in the Matador stadium, and lost their league opener, 9-6.

A pitch-out from Mt. Miguel quarterback Doug Wardell to halfback Russ Torge early in the first quarter put the Matadors out in front, 6-0. Duane Freeman attempted to run the PAT but was stopped at the line of scrimmage.

The Matadors held a slim 6-0 margin over the Lancers going into the second stanza of play, but the Lancers promptly went out in front after halfback Dick Blakely picked up a Wardell fumble and scampered 35 yards into paydirt. John Rankin scored the important PAT after catching a pass from quarterback Gary Neal to give the Lancers a 7-6 edge going into the halftime intermission.

Hilltop once again turned a Matador error into points on the scoreboard, when the Matadors were forced to punt in the third period. A bad center to punter Ray Frederick, who was standing in the Miguel end zone, sailed over his head and the Hilltoppers collected a 2 point safety for a 9-6 score.

The Matadors started a late fourth quarter drive, but time ran out for the Miguelers and they suffered their first defeat of the season before approximately 4800 spectators who took part in the pre-game dedication ceremonies of the stadium.

El Cajon High's Braves (0-2) invade the Matador stadium Friday night to meet the Miguel (1-1) team that blasted them 19-0 in one quarter of play in the Metro Carnival a few weeks ago.

Friday night will be Dad's Night for the Mt. Miguel eleven. Gametime is slated for 8 p.m.

Highlanders Hit Eagles 35-0

The Helix Highlanders rolled to an easy 35-0 victory over the first year Granite Hills eleven, Friday night in the Highlander Stadium.

Halfback Bob Vezza paced the Helix scoring with two touchdowns, a 30 yard pass play from quarterback George Sherrod, and a 35 yard running play in the second quarter.

Sherrod scored the Highlanders first touchdown on a 6 yard keeper. Brian Funk added the third touchdown in the second quarter on a 30 yard jaunt into paydirt. George Engle completed the Highlander scoring in the third quarter going over the goal from 2 yards out.

Bill Burnett had a perfect night, kicking 5 PAT's in 5 attempts.

The Helix defense held the Roman Eagles out of Helix territory, allowing them to reach the Highlander 22 yardline on their deepest penetration.

Helix takes its perfect slate (2-0) to Sweetwater (2-1) Friday night to square off against the Red Devils in what proves to be a real test for the visitors. Both teams have fine passing attacks and can also counter on the running attacks. Kick-off time is 8 p.m.

Campanella 'Lost' To Matador 11 For Season

Chuck Campanella, one of Mt. Miguel's defensive linebackers and the second string Matador fullback was lost to the Miguel team for the remainder of the season after receiving a ruptured kidney injury in Friday nights game against Hilltop.

Campanella was the victim of a freak accident during the second play of the game. He was going into a pile of players where a tackle was being made, when he was accidentally "kneed" by an official.

He is expected to remain in Grossmont Hospital for a couple of weeks, and all cards and letters may be sent to Chuck, Rm. 343, Grossmont Hospital, La Mesa, Calif.

What's Doing in the PTA

San Altos

Looking for an evening out? The San Altos Parents-Teachers Association will have their next meeting tonight in the school cafetorium.

School dinners will be served for 70 cents a plate. Menu: Beef-Rice Creole, tossed green salad, roll, apple-betty, coffee.

The meeting will follow the dinner. The program will feature "Marge's Mad-Cap Mother's from National City. They will dance and sing their version of "I Led Seven Lives."

Hostesses will be the 6 grades rooms mothers and chairmen Mrs. Thomas Quinn and Mrs. James Starbuck. Child care provided.

The mothers will be doing a door to door canvas for the school bond issue that is to be voted on October 18.

Don't forget the Carnival work-shop held every Wednesday night.

This week some of the students are having their hearing checked. Parents will be notified if their child's hearing is defected.

Golden Ave.

The Halloween Carnival committee of Golden Avenue PTA met recently in the home of Ken Martinosky, carnival chairman, to assign booths and discuss plans for the event to be held October 31 on the school grounds. A workshop for carnival items is held every Thursday morning in the home of Mrs. R. J. Corkum, ways and means chairman, and clever creations are resulting to enhance the forthcoming carnival.

The regular meeting of Golden Avenue PTA, Thursday, October 13 at 7:30 p.m. in the cafetorium promises a wealth of information concerning 'New Frontiers in Teaching Reading," presented by Dr. R. Van Allen, director of curriculum coordination of San Diego County Education Center. Music will be provided by the Lemon Grove Junior High Choraleers.

Palm Jr. High

The Palm Junior High PTA will hold its first regular meeting October 20 at 7:30 p.m. in the school auditorium. This will be the first meeting of the unit since it was organized last spring.

The theme for the year is to be "Open Doors."

The Inspiration of the evening will be given by Dr. Jordan Detzer, minister of the Lemon Grove Methodist church. The faculty and staff of the school will be introduced.

Mr. Plato Arapostathis, the Recreation and Safety chairman, will show a Red Cross film intitled "That They May Live."

Refreshments will be served following the meeting.

Monterey Heights

At the October meeting of the Monterey Heights PTA the association voted to sponsor boy scout troop 310 for the coming year.

It was also voted upon to send two members of the executive board to the legislative dinner on October 18.

Contributions for toys for child care were asked for and may be left at the Monterey Heights school office.

LG Jr. High

The membership goal at Lemon Grove Junior High PTA was reached October 7 with 723 members which was 120 per cent. All 8th grade classes reaching 100 per cent were given a dance on October 7 by the PTA and 7th grade classes reaching 100 per cent will be given a dance October 14.

Robert Master's 7-5 class won the hour and a half free bowling at Bowlero for bringing in the most members and also the surprise gift for being the first to reach 100 per cent. Second prize, a free ticket at Lemon Grove Miniature Golf, went to Louis Poluzzi's 8-5 class. Free sundaes at the Dairy Queen is the third prize won by John Winterhouse's 8-4 class.

San Miguel

All parents are invited to attend the October meeting of the San Miguel PTA which will be presented as a workshop today at 2 p.m. in the school cafetorium. At this time the budget for 1960-61 will be presented, followed by a panel discussion of policy procedure, and how the various committees work.

Mr. Paul Reynolds, business manager for the Lemon Grove school district, will give a discussion of the pros and cons of the School Bond issue, which will be voted on October 18.

Mr. Ben Schei, school principal, will give a staff report and introduce the teachers.

The following Board members will give a brief discussion of their work; Mrs. J. A. Martin, president, Policy Procedure; Mrs. R. J. Collette, Membership, and presentation of Woman of the Month; Mrs. Samuel Gagian, Room Representative Mrs. J. N. Sharmahd, Publicity and Communications; Mrs. Wm. Canet, Ways and Means, Halloween Carnival.

Refreshments will be served by the fifth grade room mothers.

SV Elementary

They have been as busy as bees at the Spring Valley Elementary School during the annual PTA membership drive which closed early this week.

Mrs. James McGhee, membership chairman, has made 20 bee hives, one for each room in the school, and 700 bees. Each child who brought in a member received a bee to place on the bee hive in his room. A large chart was also made by Mrs. McGhee to show the progress of each room during the drive.

This unique idea has created much enthusiasm throughout the student body and teachers.

Mrs. Winifred McGinty's third grade class won first place in the PTA drive with 176 per cent. Mr. Richard Lefler's sixth grade class was second with 169 per cent, and Mrs. Ethel Hawkes fourth and fifth grade class was third with 162 per cent.

The first place winners will receive extra Halloween Carnival tickets as a reward for their efforts.

A free movie will also be shown as a reward for the student's work.
